

ELITE ENGINEERING

Elite Engineering an ISO 9001:2015 certified company established in the year 2007 at Bhubaneswar, Odisha. We are the leading manufacturer and supplier of Water and Waste Water Treatment Plants, Chemicals and Water Treatment Spares in India. We are driven by a commitment to deliver innovative, reliable and cost effective solutions to fulfill specified requirements of customers across various industries.

Our team of highly Skilled & experienced Technical Professionals brings a wealth of expertise and experience to every project, ensuring meticulous design engineering, flawless execution, and unparalleled performance. We prioritize customer satisfaction above all, providing the comprehensive support from project inception to post - installation maintenance and services. We undertake Turnkey Projects, Services, O&M, AMC & CMC.

OUR PRODUCTS

Quality is the important part of our business which plays an important role in our success and growth. We use high grade material and sophisticated technology in the manufacturing of these products and ensure the quality at different levels till final dispatch.

- Water Treatment Plant (WTP)
- Packaged Drinking Water Plant (PDW)
- Reverse Osmosis (RO) Plant
- Demineralize (DM) Plant
- Ultra Filtration (UF) Plant
- Sand / Carbon / Micron Filter
- UV Disinfection System / Ozonator
- Chemical Dosing System
- Sewage Treatment Plant (STP)
- Effluent Treatment Plant (ETP)
- Waste Water Recycling Plant
- Zero Liquid Discharge Plant (ZLD)

Water Treatment Chemicals

- Boiler Water Treatment Chemicals
- Cooling Tower Water Treatment Chemicals
- PH Booster Chemicals
- Poly electrolytes / Flocculants / Coagulants
- Antiscalant / Alkaline builder for RO Plants
- Sodium Bicarbonate / Magnesium Sulphate / Calcium Chloride
- Disinfectants/ Biocides
- Membrane Cleaning Chemicals
- Testing Kits

Waste Water Treatment Chemicals

- Poly electrolyte / Coagulants
- Micronutrients
- Cultured Bacteria / Aerobic / Anaerobic
- Decolourant for ETP
- Defoamers / Deodorants

Water Treatment Spares

- High Pressure Pumps / Dosing Pumps
- Resin / Activated Carbon / Media
- FRP / MS / SS Vessels
- Multiport Valve / Diffuser / Air Blower
- Rota Meter / Conductivity Metre

Operation & Maintenance Services

Elite Engineering is a reputed partner in the field of Operation & Maintenance of Water & Waste Water Treatment Plant with more than 17 years of experience. We have a team of highly skilled technical professionals to take care of day to day activities of the Plant. At present, we are operating in the state of Odisha, AndhraPradesh & West Bengal. We are specialized in providing Operation & Maintenance Service (O&M), Annual Maintenance Contract (AMC) & Complete Maintenance Contract (CMC) service facility in the field of Water And Wastewater Treatment Plants as mentioned below:

- Water Treatment Plant
- Effluent Treatment Plant
- Sewage Treatment Plant
- Waste Water Recycling Plant
- Zero Liquid Discharge Plant (ZLD)
